

Enlit BB-9

Cleaner for HVAC system

Technical Data

DESCRIPTION AND USES

Enlit BB-9 is a coil cleaner for HVAC system. This formulation is designed to clean air conditioning system grills, without any strong chemical outgassing reaction.

BB-9 is able to remove dirt, oil and grease on any HVAC system.

BB-9 is a No Rinse, non-flammable cleaner convenient to use for all situations. Whether outdoor or indoor, simply spray, vacuum or rinse, and watch how easy dirt and stain gets removed.

SPECIAL FEATURES: Removes dirt, oil and sludge on HVAC system. Simply vacuum or rinse off. Ready-to-use formulation Comes in multiple convenient packaging configurations.

PRODUCT

SKU No.	Description
0570303	500ml Spray Bottle
0570301	10L Carboy

PRODUCT APPLICATION

Use in a well-ventilated area such as an open garage. Use when temperature is between 50°F (10°C) and 90°F (32°C) to ensure effective cleaning. If BB-9 is used via spray method, avoid spraying in very windy and dusty conditions. Cover sensitive areas to protect from spray mist.

1. Spray BB-9 on HVAC system, metal surface, air exchange grills or surrounding.
2. Use for cleaning away dirt, oil and sludge.
3. Non-reactive formulation on metal surfaces.
4. Very low VOC and no outgassing reaction.
5. BB-9 is scented, leaving a present scent after using.

TESTING SUITABILITY - Be sure to test BB-9 to verify cleaning suitability on surface. To test, apply solution in an inconspicuous area.

GENERAL USE DIRECTIONS

1. Spray cleaner directly to the surface to be cleaned, or apply to surface with a cloth or sponge.
2. Use a Sponge or Hand Pad to agitate the surface, if needed.
3. Wipe, vacuum or rinse off the surface clean using a clean, dry cloth or sponge.

PRECAUTIONARY SUMMARY:

Eye Contact: Moderate eye irritation.

Suggested First Aid: Flush eyes with large amounts of water.

Skin Contact: Moderate skin irritation.

Suggested First Aid: Immediately flush skin with large amounts of water.

Inhalation: Respiratory tract irritation.

Suggested First Aid: Remove person to fresh air.

Ingestion: If swallowed, call a physician immediately.

NOTE:

Refer to product Material Safety Data Sheet for specific health hazard, first aid and precautionary information.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

PROPERTIES		Enlit BB-9 Cleaner for HVAC System
Description		a specialty cleaner designed to removes grease, oil, dirt, grime, sludge with no outgassing reaction and easy clean away, simply by using vacuum, brush or water.
pH		12.5-13.5
Solubility In Water		Complete
Solvent		Water
Appearance		Off-white homogeneous liquid
Weight	Per Gallon	3.8 kg
	Per Liter	1 kg
Solids	By Weight	8-10 %
	By Volume	5-7 %
Volatile Organic Compounds		Very Low VOC
Disinfectant		Eliminate molds, bacteria and virus
Flash Point		Not applicable
Specific Gravity		1.01 typical
Viscosity		<100 cp
Boiling Point		100°C (212°F)
Packaging		Carton
Per Carton		25 × 500mL Spray Bottle
		1 x 10L Carboy
Shelf Life		1 year
Storage Conditions		Away from sunlight, in a cool dry place (20-30 °C)
Safety Information		For additional information, see SDS
