

Enlit BB-11

Stain Remover (Concentrate)

Technical Data

DESCRIPTION AND USES

Enlit Stain Remover (Concentrate) BB-11 is a multi-purpose cleaner designed to remove stains and spots from almost any surface. The formulation is especially effective in removing household stains, finger marks, grease as well as paint and adhesive residues.

Stain Remover BB-11 is a No Rinse cleaner convenient to use for all situations. Whether outdoor or indoor, simply spray BB-11 and watch how easy dirt and stain gets rinsed off.

Stain Remover BB-11 is a concentrated product and the recommended dilution factor is 3 ~ 5 times. Dilute solution with water, according to use.

SPECIAL FEATURES: Removes stubborn marks, spots, and stains from almost any washable surface. No rinsing required. Concentrated formulation, diluted for different cleaning strength.

PRODUCT APPLICATION

Use in a well-ventilated area such as an open garage. Use when temperature is between 50°F (10°C) and 90°F (32°C) to ensure effective cleaning. If BB-11 is used via spray method, avoid spraying in very windy and dusty conditions. Cover sensitive areas to protect from spray mist.

1. Soil removal from hard,
2. washable surfaces including: walls, floors, partitions, vinyl, chrome, grout, stainless steel, Formica®, fiberglass, ceramic, porcelain, etc.
3. Use for cleaning hard-to- remove stains, such as ground-in grease, semi- permanent inks, etc.
4. Use for cleaning ordinary soils such as lipstick, crayon, black heel marks, smoke film, pencil marks and most inks.

TESTING SUITABILITY - Be sure to test BB-11 to verify cleaning suitability on surface. To test, apply solution in an inconspicuous area.

GENERAL USE DIRECTIONS

1. Dilute formulation to specific ration.
2. Spray cleaner directly to the surface to be cleaned, or apply to surface with a cloth or sponge.
3. Use a Sponge or Hand Pad to agitate the surface, if needed.
4. Wipe the surface clean using a clean, dry cloth or sponge.

PRECAUTIONARY SUMMARY:

Eye Contact: Moderate eye irritation.

Suggested First Aid: Flush eyes with large amounts of water.

Skin Contact: Moderate skin irritation.

Suggested First Aid: Immediately flush skin with large amounts of water.

Inhalation: Respiratory tract irritation.

Suggested First Aid: Remove person to fresh air.

Ingestion: If swallowed, call a physician immediately.

NOTE:

Refer to product Material Safety Data Sheet for specific health hazard, first aid and precautionary information.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

PROPERTIES		Enlit BB-11 Stain Remover (Concentrate)
Description		a multi-purpose cleaner designed to quickly removes grease, oil, dirt, grime, most difficult spots and stains without leaving any residue from almost any washable hard surface.
pH		12.5-13.5
Solubility In Water		Complete
Solvent		Water
Appearance		Off-white, homogeneous liquid
Weight	Per Gallon	3.8 kg
	Per Liter	1 kg
Solids	By Weight	8-10 %
	By Volume	5-7 %
Recommended Dilution Factor		3 to 5 times
Volatile Organic Compounds		Very Low VOC
Flash Point		Not applicable
Specific Gravity		1.01 typical
Viscosity		<100 cp
Boiling Point		100°C (212°F)
Packaging		Carton
Per Carton		1 x 10L Carboy
Shelf Life		1 year
Storage Conditions		Away from sunlight, in a cool dry place (20-30 °C)
Safety Information		For additional information, see SDS
